Subject: Approval of Amended Notice to Commence Large Mining Operations, Lisbon Valley Mining Co., Sentinel East Backfilling, M/037/0088, San Juan County, Utah

Dear Mr. Indergard:

The Division has completed a review of the amendment to the large mine notice, received December 3, 2009. The Division is ready to issue final approval. There is no additional reclamation surety required, since the currently held reclamation bond is \$6,076,888. The bond calculated agreed upon by the BLM and the Division for this amendment is \$6,039,060. The bond calculation included in this amendment reflects the changes to the plan from implementation of the Sentinel East Backfill.

One copy of the plan is being returned to you stamped "approved" for your records.

Thank you for your cooperation and patience in completing this permitting process. If you have any questions regarding this letter, please contact me at (801) 538-5261 or Tom Munson at 538-5321.

Sincerely,

Paul Baker  
Minerals Program Manager
